Compostable liners will also be available at Wrexham's Contact Centre from July 2010

Only use compostable bags which carry the European Bioplastics logo (shown here). **Never** use plastic bags, as these do not compost and your green bin will be rejected. Log on to www.wrexham.gov.uk/recycling to find out further recycling information.

You do not have to use a compostable liner, you may put your food waste in loose.

Bydd leiners y gellir eu compostio hefyd ar gael o Ganolfan Gyswilt Wrecsam o Orffennaf 2010.

Cofiwch ddefnyddio dim ond bagiau compostadwy sydd â logo. Bioplastigau Ewropeaidd arnynt (i'w weld yma). Peidiwch fyth â defnyddio bagiau plastig, am nad yw'r rhain yn pydru a bydd eich bin gwyrdde yn cael ei wrthod. Ymwelwch ag www.wrecsam.gov.uk/ ynailgylchu i gael rhagor o wybodaeth am ailgylchu.

Nid ydych yn gorfod defnyddio leinin compostadwy a chewch roi eich gwastraff bwyd i mewn yn rhydd.
